# NUDO

Lavabo a parete in lastre di pietra preassemblate. La finitura levigata o spazzolata della superficie e gli interventi manuali di raccordo e calibratura delle bisellature esaltano le straordinarie caratteristiche naturali dei materiali utilizzati. Il vano a cassetti è realizzato interamente in legno massello e finito con oli naturali, l'apertura dei cassetti è con sistema push-pull.

## SPECIFICHE TECNICHE:

peso: 70 kg
